

**ONLY A CHRISTIAN REVIVAL OF THE CHURCH AND REFORMATION TEAMS OF BIBLICAL "GIDEON MEN" STATE BY STATE WILL BE ABLE TO RUN THE "MIDIANITES & AMALEKITES" OUT OF OUR FAIR LAND!**

Dear Fellow Warriors-For-Truth,

Our God's Absolute Sovereignty over all things, at all times, in all places is a great comfort to His biblically informed servants, who understand that God is using and allowing this Marxist takeover of America through a fraudulent, phony election, according to His grand plan, and that later we shall come to understand how this all works into Rom. 8:28 for our good and His Eternal Purposes.

But at this present moment of history, it looks like our dear America is in the process of dying (or being murdered), as a nation of free men, operating with equal justice for all, under a biblically sound Constitution that was created by honest, humble men who believed there is Absolute Truth.

At this point in the autumn of 2021, my limited understanding of the desperate danger in which we now exist could result in a total, Marxist takeover of America in the next few years, where our usual freedoms and protections could be washed away in a flood of chaos and tyrannical orders and mandates, and wherein free and honest elections are no longer tolerated. Also, all of us who are armed with our own guns may need to put up a last-ditch stand like at the "Alamo," but with the U.S. military now greatly compromised and "purged of conservatives," we gun owners would be "out-gunned" by their missiles, drones, helicopters, armored vehicles, etc. so we with guns will lose and die. The Marxists would not shed any tears if all right-wing, gun-owners were extinguished from America.

This very negative and very sad future I see possibly coming for America could really come true if Biblical Christians DO NOT RISE UP city by city and state by state in the next 13 months before mid-term elections! I also warn our Christian friends throughout the U.S. that we have no assurance whatever that there will even be any mid-term elections allowed at all in November of 2022.

In light of this possible, dark Marxist future for America, I am recommending to my godly, concerned fellow Christian leaders in the United States a two-level plan made up of these factors:

- A. **THE CREATION OF AN "AMERICAN COUNCIL OF ELDERS" (ACE)**, called into existence at this point in history to serve the Body of Christ in the United States as a trans-denominational "Think Tank" and "Leadership Team" composed of from 24 to 70 seasoned and respected, older Christian leaders who run their own national or state Christian or conservative organization, and who can help guide the Body of Christ in America through these perilous times. They would be asked to function as "**The Elders in the Gate**" for America (like in the Old Testament walled cities), and to offer their "Consensus Wisdom" on their website regularly about directions the Church should take to be biblically wise, and to honor and obey Christ their King and advance His Kingdom on earth in dealing with current issues the Church faces. They would also serve as the "Governing Body" which offers strategic guidance and biblical wisdom to the second level of Christian warriors I refer to as the statewide "**Gideon Reformation Teams**" which we create in as many of the 50 states as God allows us to create in the next few years.
- B. **THE FORMATION OF GIDEON REFORMATION TEAMS.** A Biblically obedient new "**Spiritual Army**" of "Green Beret" and "Navy Seal" type Christian men willing to lay down their lives to advance Christ's Kingdom on earth and to fulfill Christ's Great Commission is also being formed. These teams are to be composed of Christians who are businessmen and professionals in law, medicine, media, arts, education, etc. and in skilled labor, who can eagerly sign the same "**Theological & Biblical Life Standards**" as the ACE leaders, and who stand ready to be guided by the Consensus Wisdom of the ACE who function like the Joint Chiefs of Staff for them.

Each state Reformation Team of Gideon Men would be connected nationally under the united leadership of the ACE but would elect their own state captain to lead their state team.

Membership as a "Gideon Man" or as one of the "American Council of Elders" occurs when any Christian man in the United States commits to the "**Theological & Biblical Life Standards of our ACE Covenant**" by signing an application form and mailing it into our office. The application is contained in a four-page brochure that requires that Gideon Men commit to "10 Biblical Life Standards" such as:

1. "Member must qualify as a deacon or elder as stated in I Tim. 3."
2. "He must be willing with other members to mutually hold each other accountable to live in obedience to the Bible."
3. "He is willing to...die for Christ and the establishment of His Kingdom on earth if necessary."
4. "Feeds himself daily on the Word of God and reads the Bible through over and over regularly."

All Gideon Men must also agree with the "**Theological & Historical Standards of Truth**" which includes COR's "**ICBI Statement on Biblical Inerrancy**," "**The 42 Articles on Historic Christian Doctrine**" and other theological standards. They are also required to be able to explain the Christian history of America and its founding principles of law, government, and economics, or be in the process of learning all that from excellent history books by men such as Gary DeMar, Marshall Foster, Mark Beliles, and Stephen McDowell.

If God blesses this "Gideon Men" plan and a number of states do form "State Reformation Teams" of Gideon Men who work to bring revival to churches and reformation to America by various kinds of "Spiritual and Political Warfare," we plan to create an optional "One-Year Discipleship Training Program" as a lightweight kind of "Seminary Substitute" for these warriors who want training in the areas of: Theology, Church History, Journalism, and Personal Biblical Living.

**NOTE:** *I believe our God Who inspired the Bible has called me at this 86<sup>th</sup> year of my life to conduct a search in many of our 50 states for what I refer to as **ONLY THE REMNANT** of the Body of Christ who are seriously and intentionally working at living in obedience to the Bible in every area of life day and night! Jesus does not want me to spend my limited time on earth trying to help mature, inspire, disciple, or teach those Christians who simply attend church as spectators, who do the very "minimum" they can do to make Christ King of America (as He technically really is on His throne), and who DO NOT HATE SIN, INJUSTICE, DECEIT, AND TYRANNY in a passionate way.*

In my understanding, if we can somehow IDENTIFY and RECRUIT such Christian men as those who can wholeheartedly sign that they agree with these "Theological & Biblical Life Standards," we have something in those 'Standards' which God could use to IDENTIFY the "Gideon Men" in 2021 somewhat like God used in Judges 7:4-6 to identify which 300 men were to go to war with Gideon by how they drank the water at the stream.

To me, dear friends, limiting who may be "Gideon Men" by requiring such high standards biblically and theologically, should be helpful in showing us WHO NOT TO TRY TO RECRUIT into this new "Gideon Army" to be "**Reformers, Revolutionaries, and Warriors**." Even a small number of such warriors led by the Holy Spirit could be used by God in these next few years *to bring Revival to specific churches, cities, and counties*. And if God powerfully anoints these proposed "Gideon Armies" and intervenes with His Almighty Miraculous Power, we might soon see measurable progress in TURNING AMERICA AROUND from this Marxist-Humanist-Satanist takeover of America. These **Socialist, Lying, Fraudulent "Haters of God and Haters of America"** could eventually, like those multiple thousands of Amalekites and Midianites with their smelly camels, be chased across the "Jordan River" and OUT OF OUR FAIR LAND.

Dear Reader, if you might be interested in possibly connecting with this vision and receiving a copy of our "**Theological & Biblical Life Standards of our ACE Covenant**" by email, simply email me at [JGrim1776@gmail.com](mailto:JGrim1776@gmail.com), and I will send you a copy.

For a few of you on our mailing list whom I believe might be interested in joining this movement and possibly signing up as a "Gideon Man," I am enclosing a copy of that "Theological & Biblical Life Standards" brochure with this letter. If you have questions to ask, please ask those questions in an email, and I will respond to you soon.

And if you want to join, please photocopy the last page, fill out the Application Form, and mail it to me in the enclosed envelope. I will write back to you, and we will go from there.

Also, if you think your pastor would be interested in seeing this "Gideon Man" plan, let me know, and I will send you another copy of the "Biblical Standards" brochure explaining this movement. One of my hopes is that in many states, a number of pastors might sign up as "Gideon Men," and if so, we would hope to encourage them to form a statewide "Gideon Pastors Council" in their state.

Let us unite in prayer that our King Jesus might be pleased to anoint and inspire this vision so His will can more quickly be done on this earth, and His Kingdom function on earth in a much more full, powerful, and visible way than we have seen in the past 50 years.

With love and encouragement,

*Dr. Jay Grimstead*
